- 1. A tribung has been established by Rumanian Government order to deal exclusively with cars involving Ministers and those occupying administrative positions in the government service. The verdicts of this court are definite and no appeal to a higher court will be permitted. This measure is said to be a prelude to extend to purges ordered by Moscow such as have already taken three in Rungary and Adgaria.
- 2. In addition to this tribunal, a special judicial section has been established to deal with cases of sabotage to railroad installations exclusively. Of late, or railments and sabotage of railroads have been increasing.
